Graphic Designer | Print and Digital Collateral | Multi-Brand Campaigns

0468 485 236 | raghul.attursukumar@gmail.com | raghul-sukumar.vercel.app/design | Full working rights

PROFESSIONAL OVERVIEW

Ideas-driven graphic designer with 6 years of agency and freelance experience, taking work from concept through to finish across print, digital and motion. Strong conceptual thinking backed by craft: brand identity systems, packaging, point of sale, social content and animation, with a record of premium work for hospitality and fashion clients including JW Marriott and Westin Hotels. Expert in Adobe Creative Suite (Photoshop, Illustrator, After Effects, Premiere) and Figma, with strong presentation preparation skills. Thrives juggling multiple projects at pace without losing quality or focus.

SKILLS

Design: Concept development, brand identity systems, packaging, point of sale, social content, presentation design

Motion: After Effects, Premiere Pro, animation, GIFs, video editing, modular motion templates

Tools: Adobe Creative Suite (Photoshop, Illustrator, InDesign), Figma, Canva

Ways of Working: Managing own timelines across multiple projects, incorporating feedback and direction shifts, quality control, organised file management

WORK EXPERIENCE

Senior Graphic Designer | Smitten Worldwide, Bengaluru, India 2020 - 2023

- Took projects from concept to finished artwork across print, digital and motion for 10+ concurrent brand accounts spanning premium hospitality (JW Marriott, Westin Hotels), consumer goods, retail and nonprofit sectors
- Produced motion assets including animations, GIFs and short-form video edits in After Effects and Premiere; built modular animation templates that enabled rapid production across products and seasonal moments
- Created content across packaging, point of sale, social, web and eDM, ensuring brand consistency across every channel and format
- Contributed concepts in daily creative sessions, presented work to senior creatives and clients, and incorporated feedback through shifting creative direction without losing momentum
- Maintained quality control standards and organised digital file systems across all accounts, keeping assets documented and production-ready

SELECTED PROJECTS

Funkskool | Motion-First Social Series

- Moved the account from static photography to a motion-first content system: Animated posts built as 15 to 30 second loops paced for Reels and Stories, driving a 125% increase in engagement

Villgro iPitch 2021 | Campaign Identity System

- Designed a modular social campaign identity using geometric sector icons and a grid-based colour system, built to scale across formats quickly while staying cohesive in a crowded feed

EDUCATION

Master of Information Technology | Monash University, Melbourne 2023 - 2025

Bachelor of Arts, Visual Communication | St. Joseph's University, Bengaluru 2017 - 2020
