

Raghul Sukumar

Graphic Designer — Brand, Campaign and Motion

raghul.attursukumar@gmail.com | 0468 485 236 | Melbourne, AU

Full Australian Work Rights | raghul-sukumar.live

Graphic designer with agency experience delivering high-volume assets across brand, campaign, digital, print, and motion formats. Proven under pressure: led festival and seasonal campaign production at a multi-client agency, managing simultaneous delivery of TV ads, print, social posts, and digital banners to hard deadlines. Strong foundations in typography, layout, brand consistency, and Adobe Creative Suite. Takes initiative ahead of deadlines to ensure the right work gets done in the right order. Based in Melbourne with full work rights and available immediately.

EXPERIENCE

Graphic and Motion Designer

Nov 2020 – May 2023

Smitten Worldwide · India (Integrated Creative Agency)

- Delivered high-volume creative assets across digital, print, social, and motion formats for 10+ brand clients simultaneously, working to tight weekly and campaign deadlines.
- Led production of festival and seasonal campaign creative including TV commercials, print advertising, social media posts, EDMs, web banners, and digital tiles, managing all formats through to final delivery.
- Applied and upheld brand guidelines accurately across every client and format, maintaining typography, layout, colour, and image standards across all touchpoints.
- Produced motion graphics and animated social content using Adobe After Effects, including reels, animated ads, and video assets for campaign use.
- Worked proactively under pressure, anticipating what needed to be prepared ahead of campaign peaks and taking initiative to keep production on track.
- Collaborated closely with marketing, content, and account teams on brief management, communicating progress and flagging timeline risks early.
- Key Results:** Animated campaign for Funkskool increased engagement by 125%. Consistent design iteration improved brand recall by 40% across key accounts.

Creative Producer and Visual Designer

Jun 2018 – Jun 2019

Vegan Heat · India (Ecommerce Brand)

- Designed and produced digital campaign assets for a high-traffic retail platform across social, web, and promotional formats.
- Delivered animated content and product visuals to support seasonal campaigns and product launches on tight turnarounds.

Freelance Graphic Designer

2017 – 2020

Self-Employed · Remote

- Delivered brand assets, print materials, social content, and digital collateral for retail and hospitality clients, managing briefs independently from concept through to delivery.

SELECTED WORK

Festival and Seasonal Campaigns

2020 – 2023

Graphic Designer, Smitten Worldwide

- Produced complete campaign suites across multiple concurrent festival and seasonal briefs, delivering TV ads, OOH print, digital tiles, social posts, and EDMs simultaneously to hard deadlines.
- Managed production schedules proactively, preparing assets and flagging dependencies ahead of time to ensure smooth delivery under peak pressure.

Villgro — Multi-Channel Campaign

2022

Designer

- Designed a full campaign suite across social, EDM, display, and web formats, maintaining brand consistency across all touchpoints from brief through to final delivery.

ReadEase — Web Platform Design

2024 – 2025

Lead Designer, Monash University

- Designed UI and visual system for an accessible web platform. Won Best Project at the 2025 Monash University Expo.
